## **to these two instructors**

Tradition demands that the 1960 Sturgensian be dedicated to a deserving faculty member. We gladly comply yet we dare to break tradition for it is our intention to honor not one but two outstanding men who have been both friend and teacher.

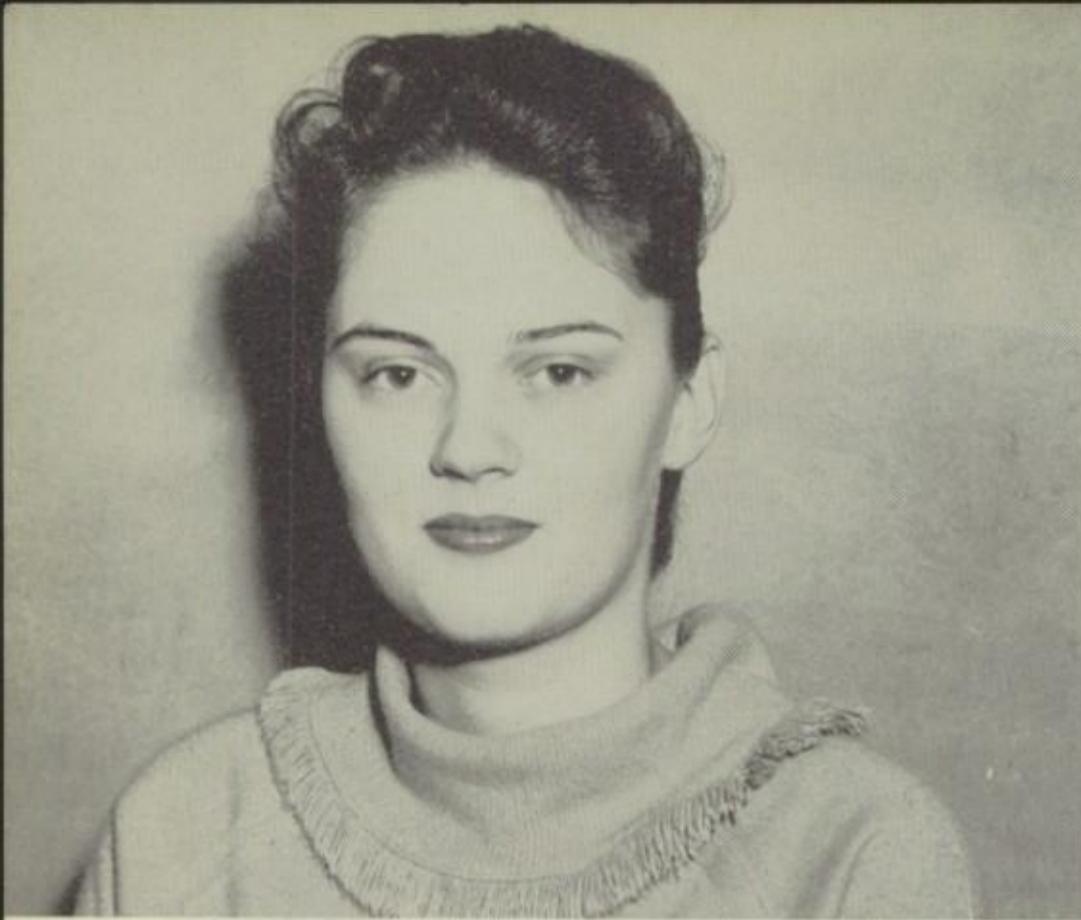

For patience if we forgot our lines in the class plays, for a word of encouragement in our forensic effort, for firm and understanding counsel about our speech problems, and for a sincere interest in even the least of us—for these and many more reasons we thank you, Mr. Hugh Tyler.

## **we dedicate the 1960 sturgensian . . .**

Because of your never-to-be-forgotten United States History classes, because of your ready sense of humor, because of your willingness to advise and befriend us, because of your many efforts to make our Junior year a success in spite of the refreshment stand, the Junior Prom, and our reckless Junior attitudes—because of your good will toward us we salute you, Mr. William Galberach.

The Class of 1960 proudly presents to you, Mr. Tyler, and to you, Mr. Galberach, our Sturgensian.

The 1960 Sturgensian Staff proudly presents an entirely new concept in yearbooks for Sturgis High School. Members of the art staff put in many long hours until they came up with the final design and color combination. Under the watchful eye of our advisor, Miss Whitelock, work began early in the year, with the picture editor and her staff supervising underclassmen pictures. Our staff photographer Mr. Roy Niles, assisted by Mr. Dick Donovan, was busy all year taking pictures of the students and their activities, while the literary staff was responsible for copy which had to be assigned, written, checked, typed and sent to the printer. Meanwhile, our advertising staff was occupied with the job of selling space to local merchants to help finance the book.

As the pages were completed, checked and double checked, they were sent to the publisher, and the staff, breathing a sigh of relief, sat back to await the unveiling on class day. The secret of color and design was carefully guarded to insure surprise. When it was finally revealed, the whole staff was proud and happy. Everyone who worked so hard to make this book a success hopes that it will be one of the most enjoyable for everyone. We hope it brings back to the seniors and all other students, the happy times they have had here at S.H.S.

## administration

Heading our Administration is Superintendent Warren J. Fudge, now completing his third year. He directs the public schools in Sturgis, working with the Board of Education. Assisting him in his office are Mrs. John Quirin, Miss Barbara Lutz, and Mrs. Herbert Magnus who handle class accounts, mail, payrolls, the bookkeeping, and business of the Board of Education.

Our principal, Mr. Robert Miller, is now in his eleventh year in that capacity. Working with him is his secretary, Mrs. Freeland. They can always be found making out absence or tardy slips, helping students with extracurricular activities or advising them on their class schedule. During the summer, they are occupied with the task of preparing next year's schedule.

The class of 1960 would like to express sincere thanks to the Administration for all the help and guidance they have given us.

Office Assistants: Mrs. John Quirin, Miss Barbara Lutz, Mrs. Herbert Magnus.

Carol Theismann, Judy Porst and Mary Finlay didn't know each other.... Annette Baker kissed Mr. Galberach under the mistletoe.... We almost didn't have the bridge built for the Junior Prom.... "Nutt" Hudson received a 200 pound bathtub for his birthday—those were the cleaner years.... the "first" time Evan Harter lost his driver's license.... the seventh hour U.S. History class ate apples.... Pat Moulton couldn't get out of the wastebasket in G.S.R.... Mary Finlay wore her dress backwards.... Torsten Mahlke wasn't given an empty water glass at play practice.... Joyce Blanchard fell out of her chair in chemistry class.

## junior class

Following tradition, the Junior Class raised money by selling food at the concession stand during football season. A new stand was donated by the school to the Juniors this year. During basketball season, they also sold refreshments to the fans. Selling football and basketball schedule pencils was another source of making money. In the spring, the class presented the annual Junior Play, and later the Junior Prom in honor of the Seniors.

None of this could have been possible without the guidance of the Junior Class sponsors: Mr. William Galberach, chairman; Mrs. Robert Boyle, Mr. Elmer Craig, Mr. Wendell Moyer, Mrs. June Cleveland, and Miss Elizabeth Whitelock.

Also sharing in a large part of the work were the class officers: President, Ted Lindman; Vice-President, Mike Darby; Secretary, Linda Elliott; Treasurer, Bob Frost; Student Council, Linda Wyer and Denny McCarthy.

## varsity football

This year's Varsity football team had a very good record of four wins and four losses. The all round performance of the players is shown easily by the number placed on All Conference, All State and Special Newspaper teams.

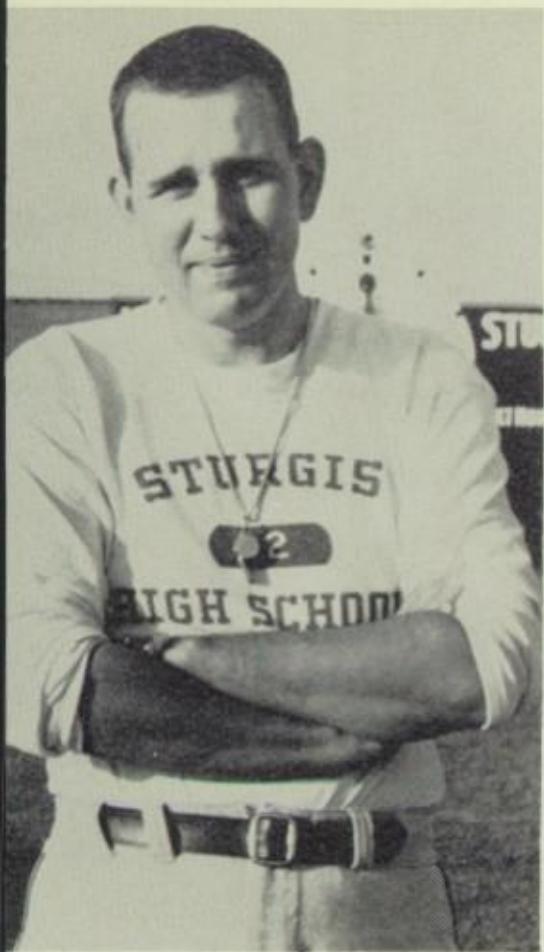

The "59" squad was one of the youngest teams we've put on the field in recent years. Coach Pierce and Coach McElhaney had to spend much of the year rebuilding the team because of a serious loss of players through graduation. Good spirit was displayed in defeating our two most important rivals, Coldwater 13-12 and Three Rivers 21-7. Because of this an experienced team can be expected next year and with lots of spirit from the students an excellent record could be attained.

The varsity squad concluded their season with six wins and eight losses. Even with this record the club had some of the best potential seen in Sturgis for some time. As far as the team was concerned, the breaks all seemed to go the wrong way. Three Rivers and Marshall won almost completely by the "luck of the gods." In both of these games Sturgis made no errors and played a perfect game. After losing to Marshall, the Trojans bounced back to beat two of the top Twin Valley teams, East Lansing, two to nothing and Albion, eight to three.

# reserve baseball

Under the direction of Coach Bates the Reserve Baseball team had an excellent season. Good teamwork and skillful pitching made them a tough team to beat.

They proved this by winning their first 6 games. Their one defeat was by the Burr Oak Varsity which they defeated earlier in the season. It was a close game with our reserves getting edged out by one run. They came back in the last game to defeat the Coldwater Reserves 7 to 4.

## won 12 lost 0 season

The Sturgis High School Netters turned in their most successful season of Tennis since Sturgis had a tennis team, having a record of 12 wins and no defeats.

The personal records will be given according to the position played on the team. They are as follows: Jim Howard, the No. 1 singles, had a very good record of 11 wins and 1 loss. Jim should be given a lot of credit for winning over Louis LaScala of St. A. 6-3, 6-1. LaScala is considered one of the top tennis players in the Kalamazoo area.

Bob Forrest played the No. 2 singles and also came out with a 11 record. Bob turned in one of his best performances in the last game with Lakeview when he downed one of the previously unbeaten Spartans with a score of 6-0, 6-4.

No. 3 singles was held by Allen Kelly who won 10 and lost 2 which is also a very good record. Allen is a Sophomore and will see two more good years of tennis.

Ron Magnus, the only senior, was at No. 4 singles. Ron was the only unbeaten Trojan in the regular year with 12 wins and no defeats. In the Twin Valley Tournaments Ron played doubles with Bob Forrest and were runner ups. They won the State Regionals but were defeated in the first round of the State Finals. Ron was a senior and the only Netter to leave.

In the No. 1 doubles position were Dennis McCarthy and Stexe Brumbaugh. They won 9 and lost 3 for another very good record.

No. 2 doubles were held down by Harvey Jannotta and Larry Patrick. They also had a very good record of 9 wins and 3 losses. In the one win over Howe, Harvey played single match as his team mate had a touch of sickness.

No. 3 doubles were Tom Werner and Dave Hearld, the only Freshmen. They had a very good season with 10 wins and 2 defeats. Considering they were Freshmen that is a good record.

In the Twin Valley meet at Albion we finished second to East Lansing with  $10\frac{1}{4}$  points as compared to East Lansing's 12 points. East Lansing has a very fine team, and next year we hope to have an even finer team.

Well here goes nothing and I  
mean nothing.  
You're a real sharp fellow and  
lots of fun.  
I hope you and Dee have lots of  
fun this summer, which I'm sure  
you will. (more than sure.)

Good luck in everything you  
do. Keep up the good work in band.

I hope you are in one of my classes  
next year but I'm sure to flunk  
him.

I could never forget you no matter  
how much I try. (I've already tried).  
You have a face that no one would  
forget.

I hope I see you this summer  
but I ~~won't~~ ~~go~~ out of my way when  
you go by and see me up a tree  
(I won't get the idea of avoiding you).  
I'm just getting some exercise.

You really ~~are~~ ~~had~~ a cool personality  
I'd sure like to be as sharp as  
you are but the world couldn't  
stand two of you. It would  
mean the end of the world for  
sure. Good luck always.

## cheerleaders

The Senior Class salutes the '59-'60 cheerleaders for the terrific job they did bringing pep and school spirit to S.H.S. This year the squads were composed of twelve girls and Gabriel (Nutt) Hudson who joined the squad to become the most recent male cheerleader for Sturgis High.

Again this year they attended the annual cheerleading clinic held at Kalamazoo. They sponsored several dances, pep meetings and co-sponsored the pep rallies.

On the varsity squad were: Linda Elliott, Mary Finlay, Kay Forrest, Kendra Johnson, Judy Mustone, Carol Theismann, and Nutt Hudson.

An addition to the reserve squad was new uniform skirts. Instead of the traditional black, they now have black and white pleated skirts. Composing the squad were: Linda Hetzler, Susan Horning, Barbara Kronberg, Dorothy Littlefield, Sally Sites, and Dixie Wagner.

The officers elected at the beginning of the year were: general captain, Kendra Johnson; varsity captain, Carol Theismann; reserve captain, Dixie Wagner; and secretary-treasurer, Mary Finlay, Mrs. Helen Cripe served as advisor.

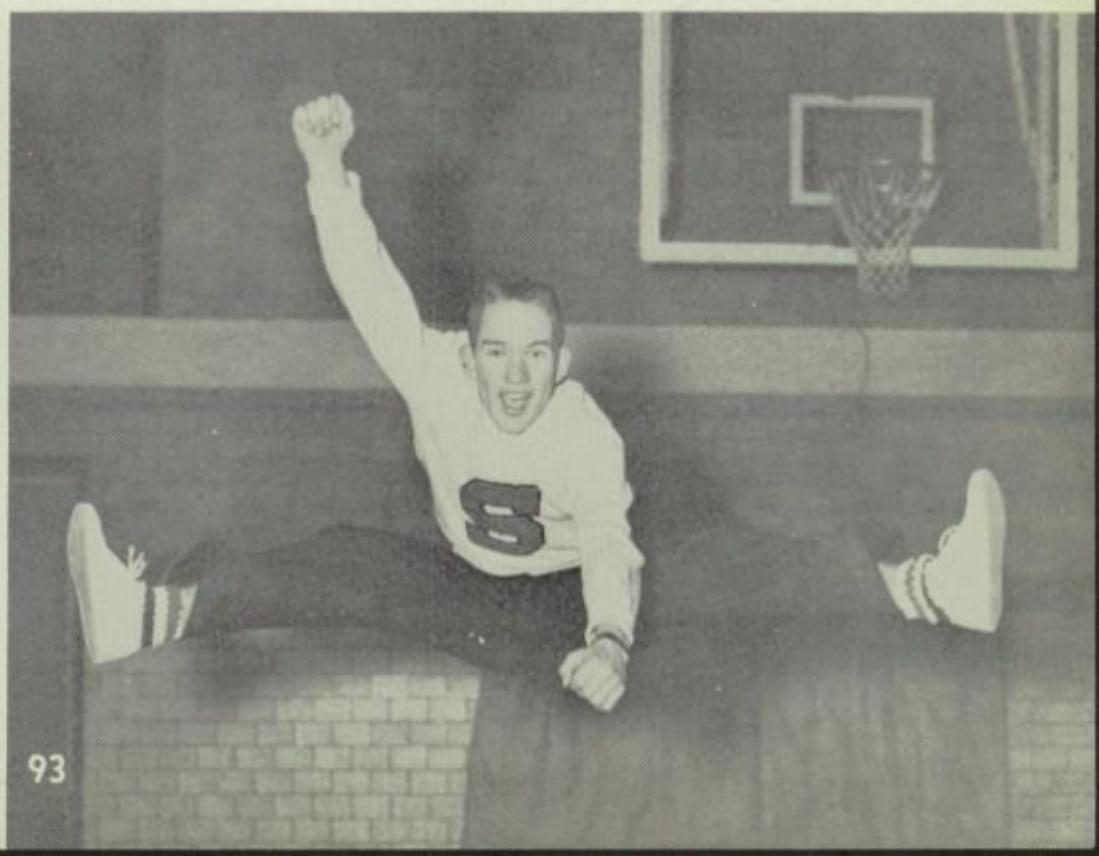

Top row, left to right: Sally Sites, Linda Hetzler, Barb Kronburg, Dixie Wagner, Dorothy Littlefield, and Susan Horning. Bottom row, left to right: Kendra Johnson, Linda Elliott, Judy Mustone, Kay Forest, Mary Finlay, and Carol Theismann.

"Nutt" Hudson

Again this year, due to the large number of members, G.A.A. was divided into two groups. The juniors and seniors met on Monday evenings, the freshmen and sophomores on Wednesday evenings.

The three annual dances were Freshman Initiation dance held October 31, Sock Hop February 13, and the Sweetheart Swing March 26. A new addition to the social calendar was the WOWO record hop held April 9.

The Club also sponsored, for the first time, an invitational volleyball meet. G.A.A. members from schools in the surrounding areas took part in the all-day tournament.

The year ended with the May Banquet at which the installation of new officers was held, and awards were presented.

The club was under the supervision of Mrs. Helen Cripe and nine officers: President, Sally Riska; Vice-President, Barb Hackenburg; Social Chairman, Judy Porst; Secretary, Jane Casner; Treasurer, Barb Crossman; Senior League Sports Manager, Carole Sargent; Senior League Point Recorder, Diane Upham; Junior League Sports Manager, Melissa Brebner; and Junior League Point Recorder, Sandy Dowty.

## varsity club

The 1959-'60 Varsity Club consisted of 51 members. Coach Pierce acted as advisor. The officers were elected as follows: President, Dan Gerow; Vice-President, Mike Eckert; Secretary-Treasurer, Chuck Bunce; and Sergeant-at-Arms, Mike Darby.

The Varsity Club and the senior class sponsored the homecoming dance in November. Prior to the dance, the members of the club sold raffle tickets on the football used in the game. One of the projects of the year was selling ads for football and basketball programs. The profits gained were used to buy athletic equipment, and to help pay for their annual trip to Chicago. Another undertaking was to act as ushers at all sports events.

## trojan times

The Trojan Times was presented bi-weekly and covered a full page of the Sturgis Journal. Mr. Hugh Tyler served as advisor and was assisted by Mr. Robert Stevenson of the Journal.

The staff worked seventh hour and reported on activities, sports, alumni news, editorials and various other subjects. Sometimes a guest writer also furnished a story.

Mary Finlay was chosen editor; Sonnie Tibbott, assistant editor; Judy Riley, news editor; Carol Theismann, picture editor; Wes Freeland, headline editor; Karen Somers, typing editor; and Judi Abbs, Mary Alderman, Ron Bobay, Mary Kay Bunge, Kendra Johnson, Mary King, Betty Maloney, Terry McCarthy, Judy Mustone, and Marge Sponsel served as reporters.

Left to right: Toodie Finlay, Dave Dobberteen, Mary Finlay, Dennis McCarthy, Linda Wyer.

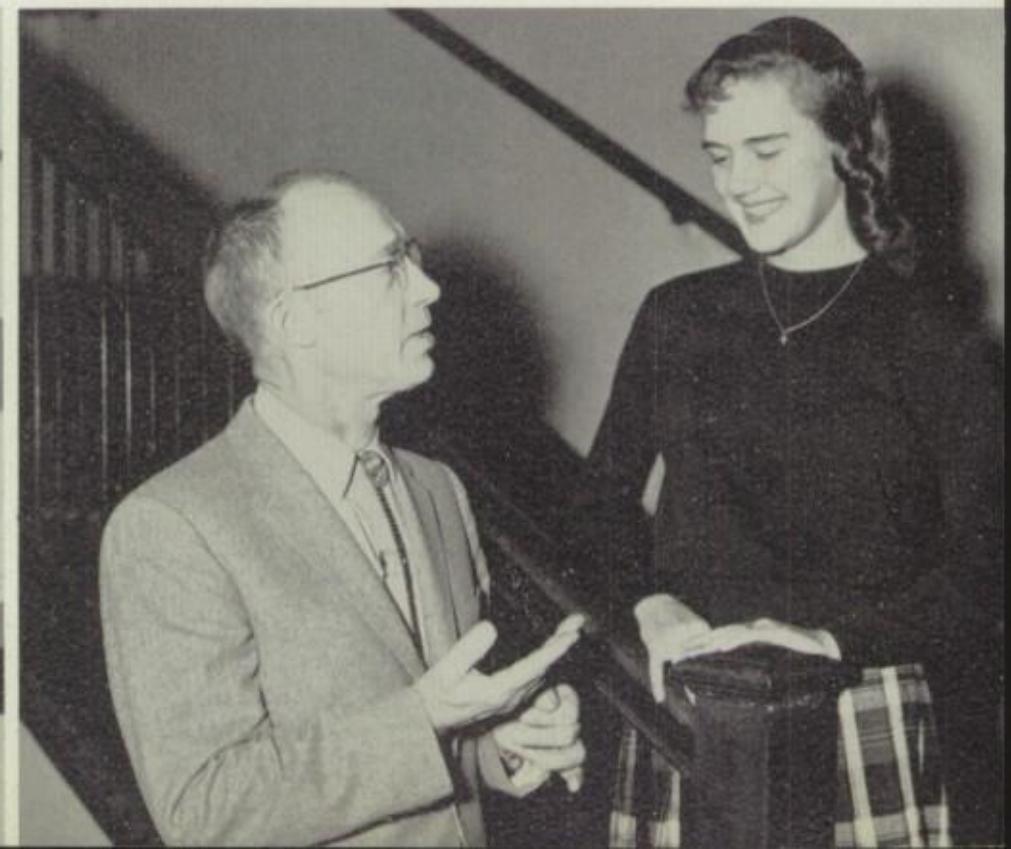

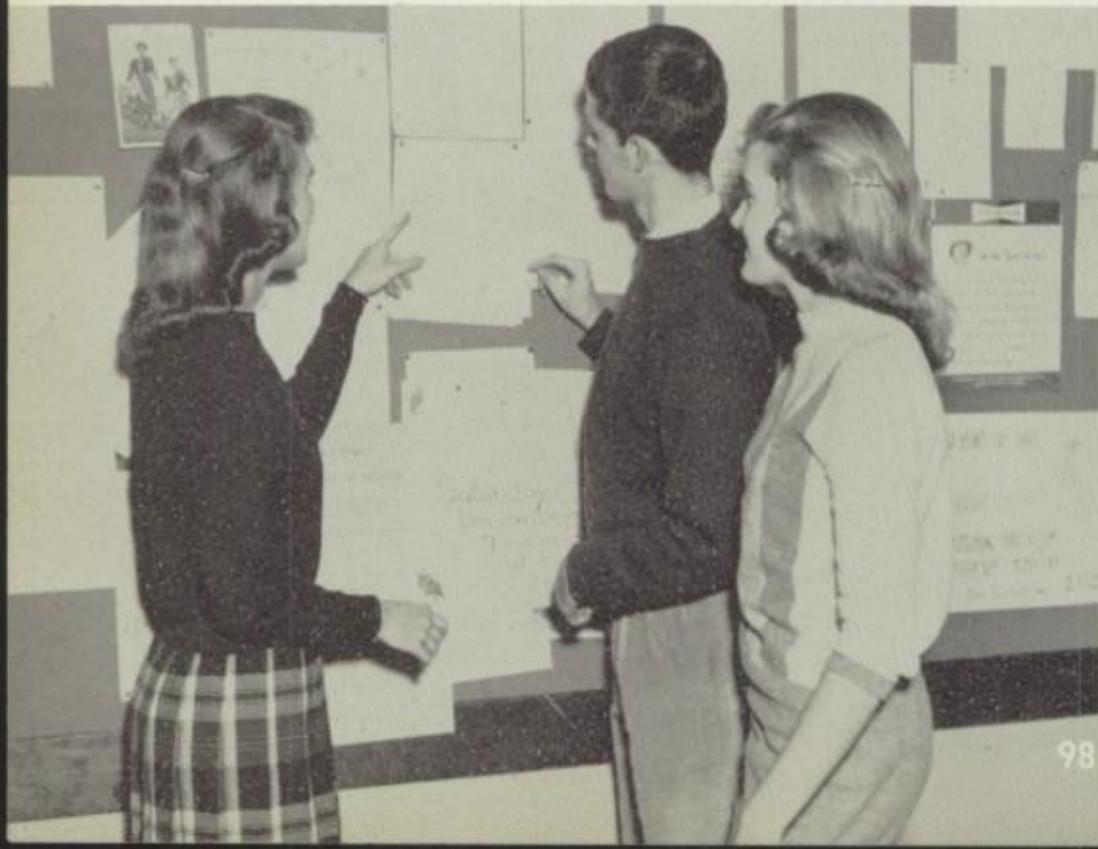

Mr. Robert Snow, advisor

The students of Sturgis High School are represented by two members from each class, except the seventh and eighth grades who were unrepresented because of the change to spring elections.

The assemblies on Thanksgiving, Christmas, and Easter were sponsored by the Student Council. Due to the change in schedule, the council was unable to sponsor as many pep meetings as they have in previous years.

Mr. Snow is the permanent advisor for the Student Council, and the members are: President, Mary Finlay; Vice-President, Dave Dobberteen; and Denny McCarthy, Linda Wyer, Toodie Finlay, Mike Ash, Paul Roe, and Linda Hetzler—underclassman representative.

## student council

## youth center

Once again the members of the Sturgis Youth Center have enjoyed a fun-filled year. Senior high students used the Youth Center on Tuesday and Friday evenings. Then on Saturday nights, the facilities were turned over to the junior high students.

The annual Christmas Formal was held in the Masonic Temple on December 29. A new feature was the choosing of a Mr. and Miss Christman by Bobby Wear's orchestra who furnished the music for dancing. Gordon Adams and Geraldine Gilbert reigned over the dance.

A very successful vacation program was carried out last summer in which the senior high students had access to the center one night a week. Its popularity has resulted in its being continued.

The Youth Center officers this year were: President, Marjorie Sponsel; Vice-President, Dave Lori; Secretary, Linda Wyer; and Treasurer, Denny McCarthy.

Mr. K. O. Kribs was supervisor of the Youth Center and was assisted by Mr. and Mrs. Paul Casault, Mrs. G. O. Kribs, Mrs. Lauren Horram and Mrs. E. C. Backer.

# junior play

"The Night of January 16th," a comedy-drama by Ayn Rand, was presented by the Junior Class of 1959, April 17th and 18th. The action takes place in the Superior Court of New York City, and the time is the present. The story concerns a famous New York murder trial in which Karen Andre is accused of pushing her multi-millionaire employer, Bjorn Faulkner, off the roof of his penthouse. Confusion arises when a new witness appears, claiming that Faulkner was on his way to South America while his death was faked with a hoodlum's corpse. This play was unusual in that the jury was picked from the audience, and the verdict was a surprise to everyone, including the cast. The suspect was found "not guilty" by the jury both nights.

Mr. Tyler, director

November 20 was opening night for the Class of '60's senior play, "Everyman Today," a modern morality play written by Walter Sorell, was selection presented by the Seniors.

It is the story of Everyman and his summons to judgment by death. Both Conscience, representing good, and the Devil, representing evil, claim the soul of Everyman. In a dream he sees manifestations of himself in other men of the world. In a trial scene Conscience and the Devil battle for possession of his soul.

Conscience triumphs and Everyman is left to continue his life on earth. Everyman and all the characters in the play are symbolic of all men at any time.

The play was a difficult undertaking since there was no scenery, a minimum of costuming; and it was written in a free verse style. The production was a credit to Mr. Tyler, the director. The Senior class thanks everyone who helped to make the play a success.

Drum Major: Vernon VanWhy

Director: Mr. Bittle

Good luck  
to you in the  
future.  
Remember -  
practice makes  
perfect.

Mr. Bittle

Teamwork was the slogan of the 1960 Sturgis Marching Band. Its forty-eight members showed their skill and precision timing when they marched at all the home games and three away games. An outstanding example was their difficult routine, "Musical Square Dance," which drew applause from young and old alike.

The band participated in both the University of Michigan and Western Michigan Band Days. A rating of first was awarded them at Portage in the annual Marching Contest. Members of the band also marched in the Memorial Day Parade, Halloween Parade and played at the Centreville Fair.

Much credit for our band's fine record is due to Mr. Jack Bittle, Director and its conscientious squad of officers: Roger Howard, head manager; Dave Bixler, equipment manager; and Joan McHuron, head librarian assisted by Barbara Fry and Elizabeth Foster. Vernon VanWhy did an excellent job as drum major.

These same hard-working band members opened their concert band season at the Christmas Concert with the combined choruses. In January thirty-six students entered the State Solo and Ensemble Contest, a yearly event, conducted at Kalamazoo. The entire band took part in the District Band and Orchestra Festival in February. Later they presented the Spring Concert which has become an annual event due to popular approval. An exceptionally fine performance at the highly anticipated Band Bust closed their activities for the year.

Each year since its organization in 1951, the A Cappella Choir has been selected by Mr. Casner. This year the organization included only nineteen of the most outstanding vocalists, chosen from the Senior Chorus. A Cappella members must have musical ability, good voice quality, and experience. Besides appearing whenever the Senior Chorus does, the A Cappella Choir entertains service clubs.

## a cappella

Sixty-four individuals consisting of juniors and seniors, composed the largest Senior Chorus of Sturgis High. Under the direction of Mr. Myron D. Casner, who has now completed his ninth year as choral instructor here, the members of the chorus participated in numerous activities. In addition to singing in the Thanksgiving, Christmas, and Easter Assemblies, they, in co-operation with the Concert Band, presented a Christmas program which was free to the public. In the spring, they sponsored the Spring Concert and traveled to Kalamazoo for the festival held there. Among the wide variety of pieces studied by the chorus were madrigals, Latin Motets, hymns, and the tunes from the musical hit, "Hans Christian Andersen."

Officers elected were: Luann Littlefield, President; Dave Straehly, Vice-President; Jane Barnell, Treasurer; and Margie Otto, Secretary.

## science club

The newly formed Science Club was started by Mr. Moyer, chemistry and physical science teacher. Any junior or senior interested in science is eligible to join. The aims of the club are to increase our knowledge of science, give service in the community and nation, and understand the importance of science in our lives.

The project for the first year was to compile a directory of all the people in Sturgis and the surrounding area who have a scientific interest, either professionally or as a hobby. Those persons who are willing to speak to the club as a whole or with individuals are listed under their interest.

In January, the club took a field trip to Kalamazoo and attended a lecture at the planetarium followed by a tour of the Upjohn Company.

Queen and Court

## junior prom

Balmy spring air and "Cherry Blossom Time" opened the way into the magic of an oriental garden. Chiffon butterflies flitted among the thousands of pink cherry blossoms, while giant lotus floated upon a tiny stream twining beneath a white bridge.

The music of Bud Doty's orchestra enchanted the dancers in the exotic garden awaiting the moment when Bob Forrest, Junior Class President, placed a crown of flowers upon the Queen of

Queen Judy and Bob Blood

the 1959 Junior Prom, Judy was presented with an engraved compact and red tea roses. Her court, Sharon Dougan, Mary Finlay, Pat Moulton, Judy Mustone, Sandy Potter, and Carol Theismann reigned with her from a dais of flowers and cherry blossoms.

Throughout the evening, the dancers wandered through a majestic pagoda to be served 'fortune' cookies and punch.

Left to right: Carol Theismann, Judy Porst, Mary Finlay, Queen Judy Mustone, and Saundra Potter.

## homecoming

On November 6, Terry McCarthy, Senior Class President, crowned Judy Mustone Homecoming Queen of 1959 in the Seventh annual Homecoming ceremonies. Dave Locey, vice-president of the class, presented Judy with a bouquet of roses. The queen and the members of her court were chosen by the Senior Class and Varsity Club. Serving on the court were: Mary Finlay, Judy Porst, Sandy Potter, and Carol Theismann. Judy and the court, who were brought onto the field in

three convertibles, reigned over the game and the dance following it.

Although the Albion Wildcats went home with the victory, the unfortunate outcome did not dampen the evening's plans. After the game, the festivities were transferred to the auditorium ballroom where Bud Doty and his orchestra furnished music for the occasion. The theme "Stairway to the Stars" was carried out in the decorations at the dance.

Mrs. D. Sadewasser and Mrs. J. Cleveland

Left to Right: P. Sadewasser, A. West, L. Kane, B. Swihart, J. Burton, Mary Keyser.

The Future Homemakers of America under the guidance of Mrs. June Cleveland, began the year of activities with a formal initiation in the home economics room with their mothers as guests.

Later in the fall the girls attended the regional F.H.A. meeting in Mottawan. During the year, the club sponsored a baked goods sale and a hobo day. They also held a St. Patrick's Day record hop which was open to all the high school students.

Officers for the 1959-'60 year were: President, Phyllis Sadewasser; Vice-President, Linda Kane; Secretary, Alice West; Treasurer, Bonnie Swihart; Reporter and Historian, Hoyce Burton; Parliamentarian, Mary Keyser; Song Leader, Sandy Mecklenburg; and Recreation Leader, Carol VanZile.

## f.h.a.

Mrs. Britton and Mr. Moyer

## f.t.a.

Students interested in teaching as a possible future career, join FTA to learn about the profession. The monthly meetings consisted of a movie about the education of a teacher and guest speakers from the various teaching fields. Nine members and their new advisor, Mr. Moyer, attended the Area Conference of FTA at Western Michigan University. They were also guests of Sturgis Education Association and of Delta Kappa Gamma Sorority. At Christmas, the club donated gifts to Sturgis' school for handicapped children. In April, two members attended the FTA camp, and the year's activities concluded with a picnic.

The officers were: President, Cynthia Addison; Vice-President, Janice Besser; Secretary, Martha Foster; Treasurer, Sharon Monroe; and Librarian, Martha Arney. Mrs. Mildred Britton and Mr. Wendell Moyer acted as advisors.

Above: Advisor Mrs. Ash

Left to right: Judy Porst, Richard Fisher, Dixie Wagner, and Linda Hetzler.

## le cercle français

Each of the three French Classes chose two representatives from which the officers for Le Cercle Français were elected. Because of an unbreakable tie, Richard Fisher and Dennis Durnell acted as co-presidents. The other officers were: Vice-President, Dixie Wagner; Secretary, Marilyn Hovda; Treasurer, Judy Porst; and committee chairmen, Linda Hetzler and Martha Arney. Mrs. Virginia Ash served as advisor.

It was decided at the beginning of the year to have four large meetings instead of the usual monthly ones. At the fall and winter meetings, guests told of their experiences in France, and the members played French games and sang French songs. For the spring meeting, the French II class gave a dinner picked from a complete French menu for the French I students. A combination picnic and treasure hunt was held at one of the member's home to close the year.

Librarian: Mrs. Polleys

## library club

The Library Club, under the capable leadership of Mrs. Madelyn Polleys, was composed of members who worked in the library during the year. Each person worked five hours a week for which he received a half credit. Their duties included checking out books, keeping the card file up to date, taking care of magazines, keeping the shelves clean, and helping students find reference material.

The officers of the club were: President, Jim Harter; Secretary-Treasurer, Rosanne Krause; and Social Chairman, Armetia Garden.

Library Club Officers: Jim Harter, Armetia Garden.

Sitting, left to right: Kathy Reed, Linda Draime, Jim Harter, Armetia Garden, Mary Lou Fair. Standing: Mike Casey, Bob and Doug Myers.

## pep club

The Pep Club, new at S.H.S. this year, was organized by a group of senior students. The membership grew to 75, and they elected the following officers: President, Randy Agley; Secretary, Judy Porst; Treasurer, Bob Thomasma; and Social Chairman, Sally Riska. Mr. Martin Peck, Senior class sponsor, acted as advisor.

The chief aim of the club was to promote the pep and spirit of the student body; and no one can deny that both were accomplished. They sponsored several rallies before games and encouraged the students to cheer from the special section. During the year, the members purchased pins with "Sturgis Senior Pep Club," which they wore at the games.

They held several parties after football and basketball games and on Saturday nights. In March, the club sponsored a record hop for the entire student body. Their future plans include a party this summer, in which the club will be turned over to the up-and-coming Seniors.

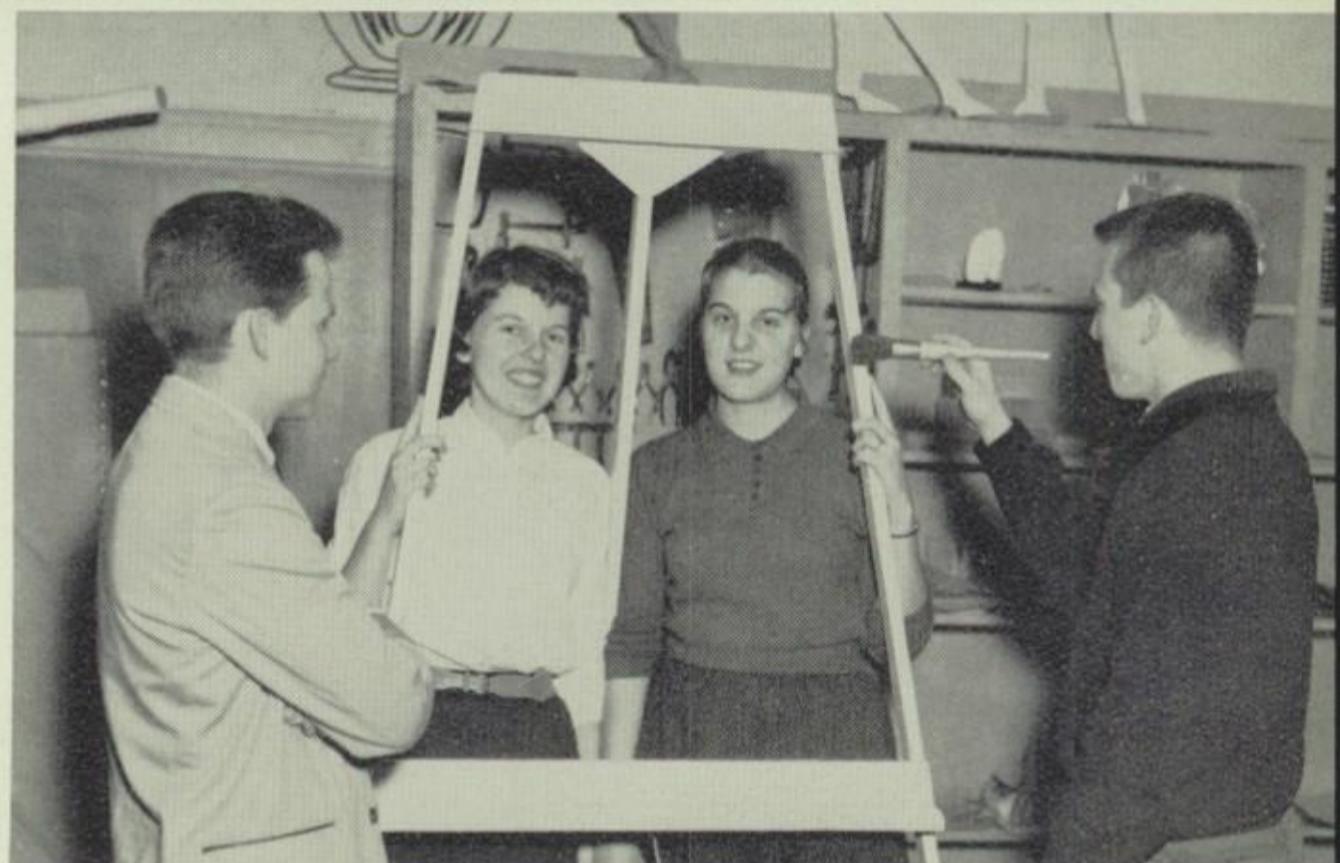

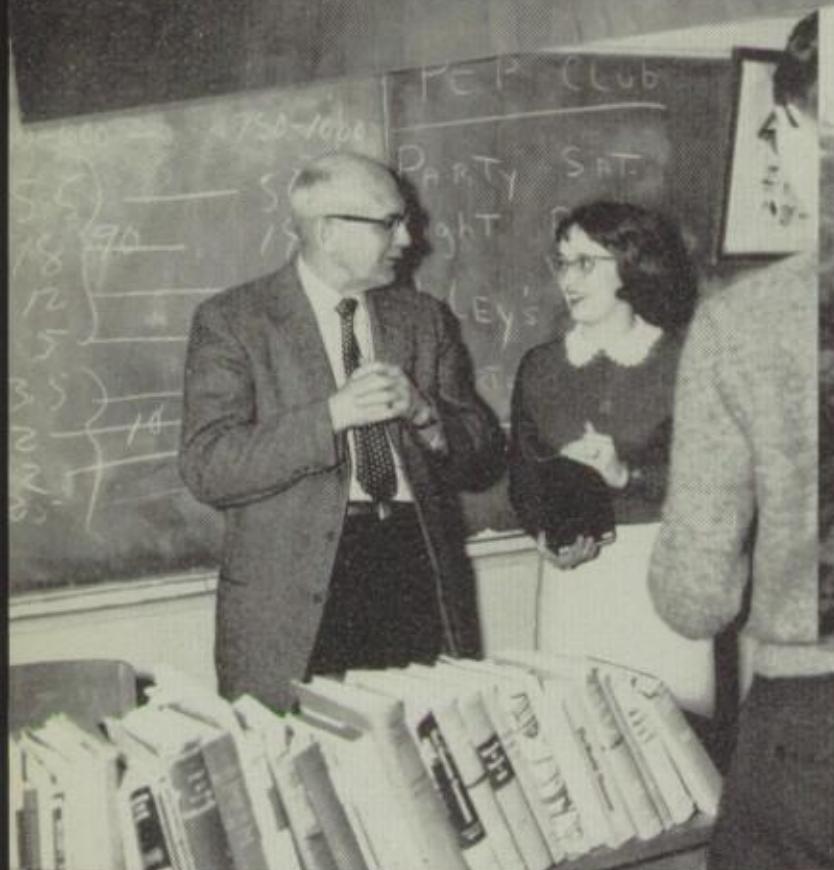

Mr. Craig, advisor

## art club

A newly-formed group, the Art Club was advised by the art teacher, Mr. Elmer Craig. Desiring to avoid the usual formalities of a club, the founders elected no officers but instead appointed a Steering Committee. Judy Main, Torsten Mahlike, and Diane Upham, who constituted this committee, were in charge of planning field trips, keeping the group informed, and taking care of routine business. Meetings were scheduled for the second and fourth Tuesdays of each month. No prerequisite, such as taking art, was necessary for admittance, only a sincere interest in art.

The club, which will expand in future years, aims to promote fuller appreciation of art in the case of both its members and of the public.

Varsity Debate Team, Left to right: Roger Howard, Randy Agley, Dave Lori, Steve Pinney.

Directors: Mrs. Strawbridge and Mr. Tyler.

## debate

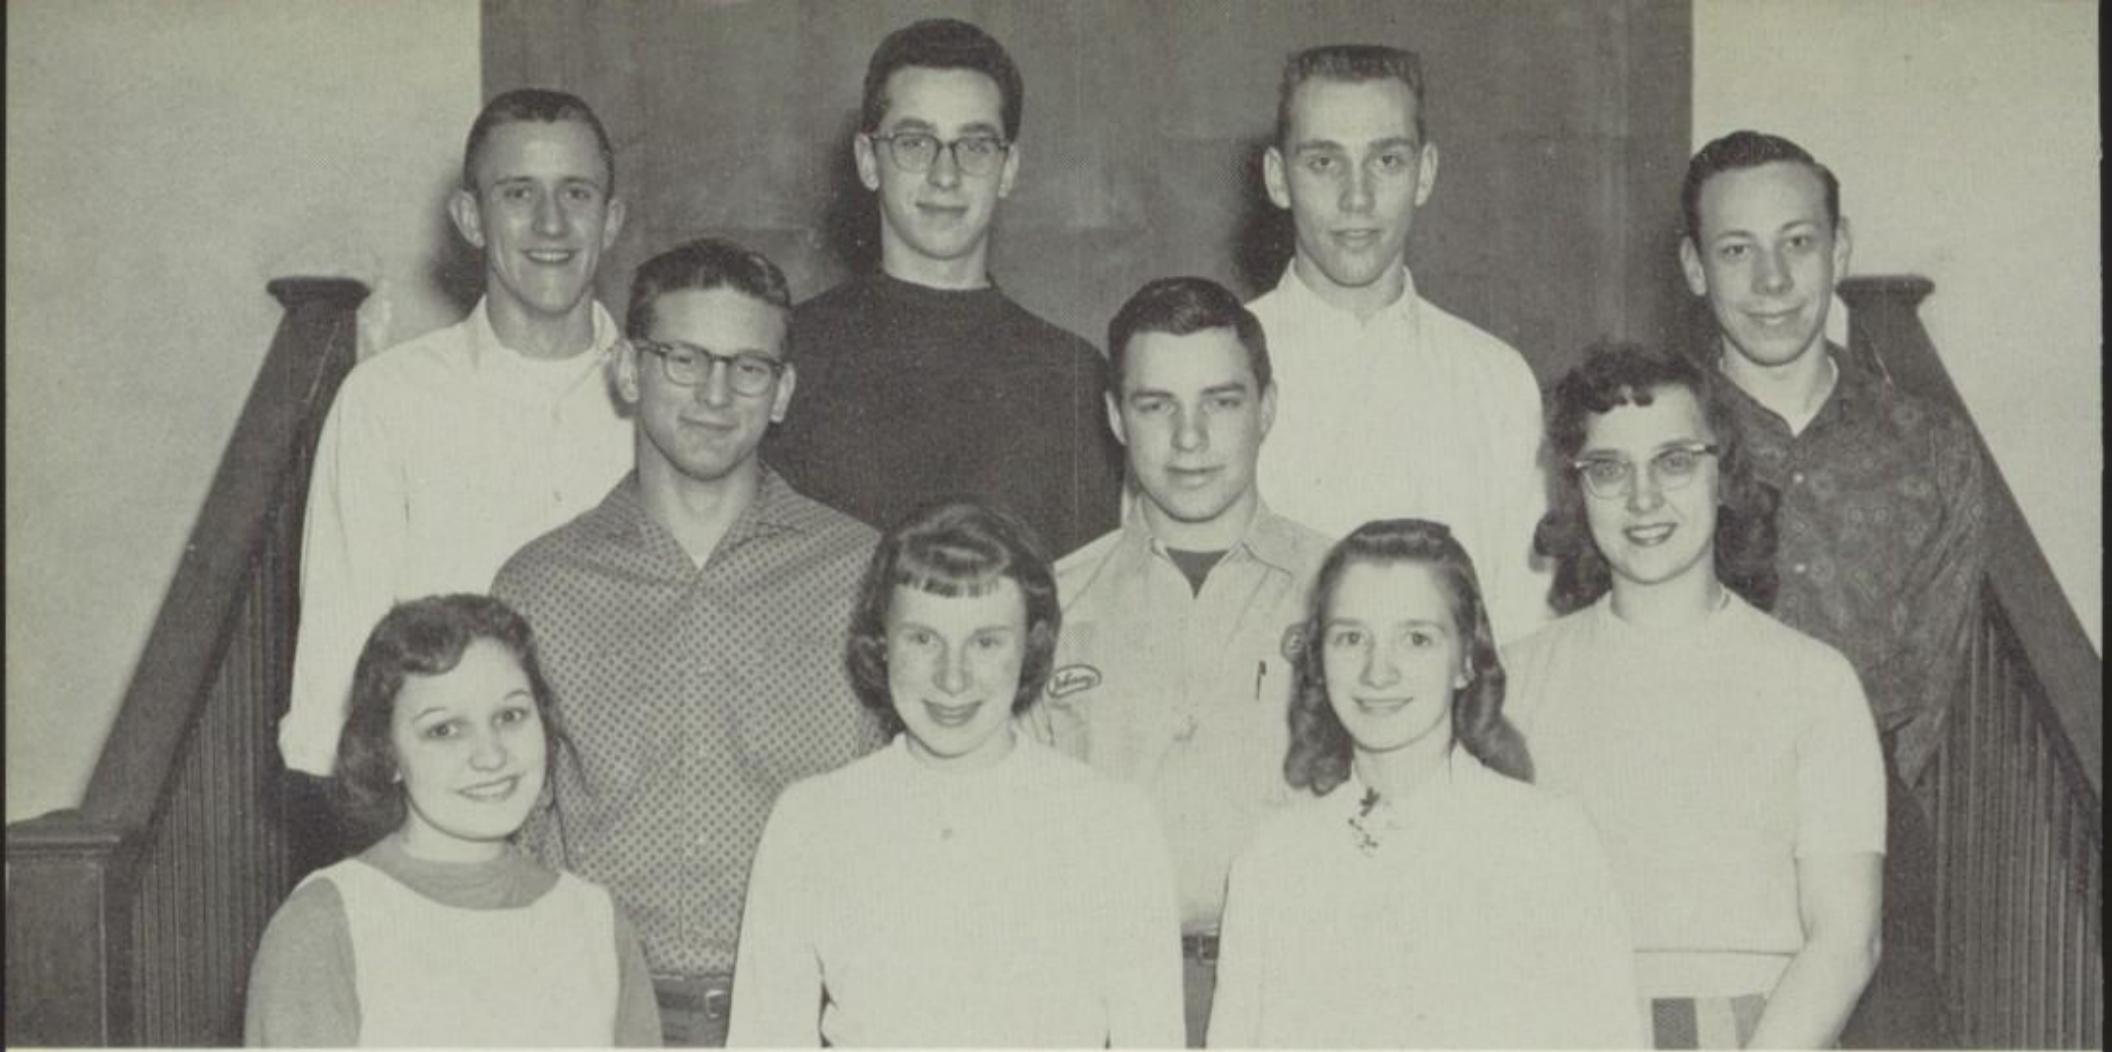

The Debate Team, the first in over ten years, completed a very successful season with 5 wins and 3 losses for second place in the tough Twin-Valley League. The affirmative team won 3 and lost 1, while the negative side split 2 and 2. In the district tournament, the affirmative team lost in the semi-finals to Jackson, state winners for the past two years. The question debated was, "Resolved: The Federal Government should substantially increase its regulation of labor unions."

The able team was composed of four senior boys, Randy Agley, Roger Howard, David Lori and Steve Pinney. Mr. Hugh Taylor advised the group. Mrs. Strawbridge and Mr. Tyler were the directors of the local forensics contest.

## co-op

The co-op program is open to seniors wishing to work at a part-time job, for which they earn a full credit. Mr. Paul Casault, co-op advisor, selects jobs according to the student's interests and skills. They attend classes three or four hours, and work at their job the remaining time. The student must be able to keep up his grades to remain in the program.

Left to right: Mr. Paul Stewart, Mr. Homer Tobias, Mr. William Long, Mr. Herb McLaughlin, Mr. Carl Armintrout, Mr. Chester Casner.

## janitorial staff

One of the most vital groups in the school system is the janitorial staff. Their many and never-ending tasks keep our school in clean condition.

These men go about doing their work without complaints, and yet never receive much thanks. Many of us don't realize how much easier their job would be with just a little cooperation from the students. We as seniors would like to thank them for all they've done for us.

The janitorial staff is headed by Mr. Herb McLaughlin, assisted by Mr. Paul Stewart, Mr. Homer Tobias, Mr. Carl Armintrout, Mr. Chester Casner and Mr. William Long.

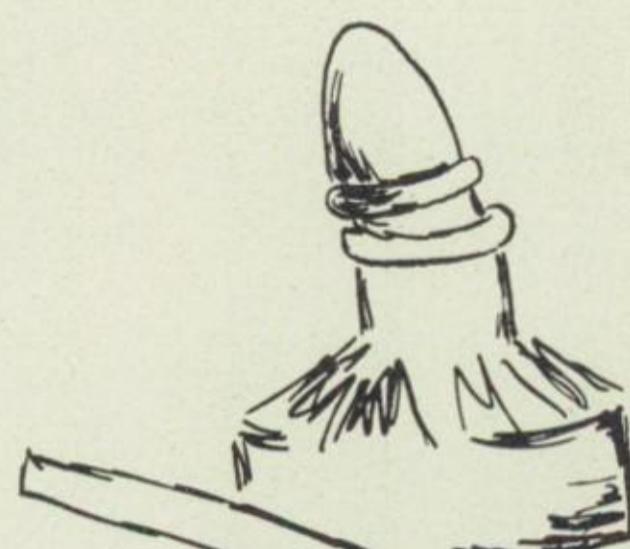

## radio

The class of 1960 would like to express their appreciation to Mr. Raymond Smith for giving us all the publicity needed in the success of our activities. The Sturgis Public Schools program broadcast daily over the local radio station, reminded the public of plays, dances, band and sport events, and other important happenings coming to S.H.S. Playbacks of games, interviews with coaches, students and faculty also made up the program. Thank you, Mr. Smith, for the fine work you have done!

### \*YOUR CREDIT RECORD

Today, over 97 percent of all consumer goods sold in the United States are purchased on credit. Therefore, it is essential to maintain a good credit record to enjoy the necessities of life that suit your budget. The following five rules are used in order to maintain a good credit record:

1. Make all payments when promised, or sooner.
2. If heavily involved, find out about a pro-rate pool program from a CREDIT BUREAU, or obtain a loan to consolidate and clear all debts.
3. If you must miss a payment, let your creditor know why.
4. Always notify all creditors when you move.
5. Never ignore a disputed claim. Talk it over and see if an adjustment can't be made.
